Grilled Cheesy Chicken Nachos

Ingredients:

- Reynolds Wrap Non Stick Foil
- 4 cups tortilla chips
- 2 cups Mexican style shredded cheese, divided
- 1 cup shredded, cooked chicken
- 1 cup salsa
- 1 small tomato, chopped
- 1/2 cup sliced black olives
- 2 green onions, sliced

Makes 6 to 8 servings

Preparations:

- 1.) Preheat grill to medium-high indirect heat. Make Reynolds Do-It-Yourself (DIY) Grill Pan (see tip); place on a tray.
- 2.) Arrange tortilla chips in an even layer in DIY Grill Pan. Sprinkle with 1 ¾ cups cheese.
- 3.) Combine chicken and salsa; spoon over cheese. Top with tomato, black olives and green onions. Sprinkle with remaining ¼ cup cheese. Slide pan onto grill.
- 4.) Grill over indirect heat 5 to 7 minutes or until cheese melts.

Reynolds Kitchen Tip: To make DIY Grill Pan, press 2 sheets Reynolds Non Stick Foil (dull side down) onto bottom of inverted 13x9 inch pan. Crimp sides well.
